Products & Components

For Your Facility

3-A Leveling Feet/Jacks

The premier standard for 3-A authorized leveling feet made in the USA. Variety of styles and sizes.

Cheese Hoops

Stainless steel Wilson-style hoops (box, liner, cover and pins) dimpled and drilled for drainage. 20 and 40 lb. sizes.

Floor Drains & Clean Outs

Designed for durability, Koss floor drains and clean outs are made to withstand daily lift truck traffic.

Floor Resting Plates/Shoes

Made for our ball toe 3-A feet, these sanitary plates ensure easy, accurate equipment positioning.

Mezzanines/Platforms/Stairs

Durable, custom-built options for safe navigation of your facility and access to your product.

Tables & Racks

Any size, any configuration. We custom build sanitary stainless steel tables and racks for a variety of uses.

Sanitary Pumps

Sanitary Pumps

Our pump experts can help you choose the right pump for the right application at a competitive price. Save energy, experience fewer breakdowns, and reduce maintenance costs with our guidance. Large in-stock selection for a faster turn-around. Maintenance, repair, spares and service kits available. Need a different brand? Give us a call!

For the dairy, food, beverage and other sanitary industries.

Sanitary Valves

Sanitary Valves

We offer in-depth knowledge of systems and process flows to make pump selection easier. Large selection in stock. New and used components in stock allowing us to build custom valves as needed. Variety of controls and indicators available. Maintenance, repair, and service kits available. Multiple supplier relationships for hard-to-find valves.

Tank Accessories

Tank Mixers

These portable mixers offer highly-effective torque along with quality, dual blade construction.

Tank Vents

For high variability of volume. Help maintain near ambient pressure. Include filters for product safety.

Manways & Sight Glass

Gain visibility and access to your products, processes and equipment with high quality Alfa Laval products.

Cleaning Accessories

Tank Cleaning Devices

Rotary drum strainers, continuous straining systems, culinary steam assemblies and more.

Wash Baskets

COP wash baskets in a variety of sizes and styles to help keep parts safe and organized while washing.

Wash Racks

Safely position and secure your part/equipment for washing. Auger racks, part racks and other styles.

Products & Components

Fittings, Tubing & Pipe

Fittings

We offer sanitary and hygienic fittings in multiple styles and configurations.

Installation Accessories

Choose from a wide assortment of brackets, hangers, plates, wall pads, pig tails and more.

Tubing & Pipe

304 and 316 tubing and pipe available in many common sizes. In 20 ft. lengths or cut to order.

Filters & Housings

Filter Elements

We offer a variety of process filters for air, gas, liquid and steam applications. 3-A models available.

Filter Housings

Process filter housings for sanitary liquid, gas and steam applications as well as housings for tank vents.

3-A Wedge Wire Strainers

These custom-built wedge wire strainers are available in two different lengths and multiple diameters.

Buggies & Carts

Buggies

We offer heavy-duty, totally welded stainless steel buggies in 400 and 600 lb. capacities.

Carts

We make pump carts, cheese block carts, barrel carts, extruder head carts and more.

We also design and build custom stainless steel processing equipment:

- Blenders, mixers, tumblers
- Cookers, cutters, slicers
- Conveyors, dumpers
- Grinders, extruders, molders
- Heat exchangers
- HTST Pasteurizers
- Membrane and CIP systems
- Tanks and vessels
- And much more!
