

Sanitary Valves

Valves for performance and profitability

The need for efficient and reliable product flow is critical to your performance and profitability. You need optimal flow throughout your process to get the most out of your raw materials. Having the right valves in place is key.

We've been supplying valves and valve automation to the cheese, food, beverage and other sanitary indus-

tries for more than 40 years. We are an Alfa Laval Master Distributor and carry a large, in-stock selection so we can quickly meet your needs.

Our line of Alfa Laval valves offers:

- Highest levels of hygiene
- Intelligent reliability
- Easy installation and maintenance
- Low cost of ownership
- Lower environmental impact

We'll help you choose from the following styles:

- Single Seat
- Mixproof
- Ball
- Butterfly
- Control/Check
- Diaphragm
- Regulating
- Safety
- Sample
- Shutter

Need a different style/brand/manufacturer? Give us a call.

In addition, we offer the following:

- Seal and service kits
- Valve automation including control-top and indicator units
- Valve reconditioning/refurbishing
- Reconditioned stock/spare parts
- Part modification
- Evaluation and repair
- Valve skids/manifolds
